

Artificial Intelligence (AI) Generated Content Disclaimer

At ILIRIKA d.d., Ljubljana, we are committed to using Artificial Intelligence (AI) responsibly. We recognize AI's potential to enhance content creation, streamline business processes, and provide meaningful, engaging experiences.

This website may contain content created by AI or other automated technologies. Such content is provided for informational purposes only and should not be relied upon for any specific purpose without verification of its accuracy or completeness. We may use AI for different purposes in our business and on this website such as to generate content, including but not limited to product descriptions, photos, articles, and other marketing materials, or information gathered for use in our social media posts and video (including, but not limited to, Instagram, Facebook, and YouTube). However, it's important to note that AI output is not always perfect. In some cases, errors may occur due to the complexity of the system or data.

While we take all reasonable steps to ensure the quality of AI-generated content, we cannot guarantee the accuracy of our AI-generated content. We therefore disclaim any and all liability for any errors or omissions in the content produced by AI technology and advise that users exercise caution when relying on such content.

We are not responsible for any consequences arising from your reliance on AI-generated content. You should exercise discretion and seek expert advice when making decisions based on automated information. Additionally, we reserve the right to modify or remove AI-generated content at any time without prior notice.

By using this website, you acknowledge and agree to these terms regarding AI-generated content. If you do not agree, please refrain from using this website.
